

Warning light	Warning light/Details	Correction procedure
<div>MAINT REQD</div> <div>(U.S.A. only)</div>	Maintenance required reminder light Indicates that maintenance is required according to the driven distance on the maintenance schedule ^{*3} .	
	Illuminates for about 3 seconds and then flashes for about 15 seconds approximately 4500 miles (7200 km) after the maintenance data has been reset.	If necessary, perform maintenance.
	Comes on and remains on if the distance driven exceeds 5000 miles (8000 km) after the maintenance data has been reset. (The indicator will not work properly unless the maintenance data has been reset.)	Perform the necessary maintenance. Please reset the maintenance data after the maintenance is performed. (→P. 340)
