

### If your vehicle needs to be towed

**If towing is necessary, we recommend having your vehicle towed by your Toyota dealer or a commercial towing service, using a lift-type truck or flatbed truck.**

**Use a safety chain system for all towing, and abide by all state/provincial and local laws.**

#### Before towing

The following may indicate a problem with your transmission. Contact your Toyota dealer before towing.

- The engine is running but the vehicle will not move.
- The vehicle makes an abnormal sound.

#### Towing with a sling-type truck

Do not tow with a sling-type truck to prevent body damage.
