

When using a child restraint system**■ When installing a child restraint system to a front passenger seat**

For the safety of a child, install child restraint systems to a rear seats. When installing child restraint system to a front passenger seat is unavoidable, adjust the seat as follows and install the child restraint system.

- Raise the seatback as much as possible
- Move the seat to the rear-most position
- Raise the seat to the highest position
- If the head restraint interferes with the child restraint system installation and the head restraint can be removed, remove the head restraint
