

Your vehicle includes a variety of electronic features that can be personalized to suit your preferences. Programming these preferences requires specialized equipment and may be performed by your Toyota dealer.

Some function settings are changed simultaneously with other functions being customized. Contact your Toyota dealer for further details.

Customizable Features

- 1** Vehicles with a Display Audio system: Settings that can be changed using the Display Audio system
(For further information on customizing settings using the Display Audio system, refer to the “Display Audio System Owner’s Manual”.)
