

**WARNING****■ Using a seat belt extender**

- Do not wear the seat belt extender if you can fasten the seat belt without the extender.
- Do not use the seat belt extender when installing a child restraint system because the belt will not securely hold the child restraint system, increasing the risk of death or serious injury in the event of an accident.
- The personalized extender may not be safe on another vehicle, when used by another person, or at a different seating position other than the one originally intended.

**NOTICE****■ When using a seat belt extender**

When releasing the seat belt, press on the buckle release button on the extender, not on the seat belt.  
This helps prevent damage to the vehicle interior and the extender itself.
