

### If your vehicle needs to be towed

**If towing is necessary, we recommend having your vehicle towed by your Toyota dealer or commercial towing service, using a wheel-lift type truck or flatbed truck.**

**Use a safety chain system for all towing, and abide by all state/provincial and local laws.**

**2WD models: If towing your vehicle with a wheel-lift type truck from the front, the vehicle's rear wheels and axles must be in good conditions. (→P. 521, 523)**

**If they are damaged, use a towing dolly or flatbed truck.**

**AWD models: If towing your vehicle with a wheel-lift type truck, use a towing dolly. (→P. 521, 523)**
